Quality Policy

Mister Machine upholds Quality among its organizational primary values and strictly committed to formulate these values in the business as detailed below:

Client Satisfaction

Achieving client satisfaction through the combined effort of planning, resource management, quality of service and feedback from our client.

Quality Services

Fully committed to provide reliable and durable services in a timely, safe and convenient manner as per our client requirements, as well as, providing highest performance and most reliable equipment.

Modern Equipment and Services

Offering modern equipment fleet of the latest models and maintaining the equipment as per the manufacturer's recommendations.

Information Technology

Utilizing the latest information technology systems and Rental Management Software to better serve our clients.

Competitive Hire Rates:

Offering the best quality equipment and services at the most competitive hire rates.

Adherence to Quality Management System:

Strict adherence to the Quality Management System at all time by continually monitoring the implementation of the system with the view of continually improving it.

Adherence to Legal Requirements:

Strict adherence to the local regulatory and statutory requirements governing Quality.

Professional Staff:

Ensuring that all our staff and personnel are well trained, disciplined and motivated, along with experienced top management who are competent in the fields of our services.

Availing Effective Resources:

Ensure availability of adequate resources, effective communication and awareness or training to employees, clients, and suppliers on Quality.
